Hospital Signature _____

A surgeon must always rely on his or her own professional clinical judgment when deciding whether to use a particular product when treating a particular patient. Fusion does not dispense medical advice and recommends that surgeons be trained in the use of any particular product before using it in surgery. A surgeon must always refer to the package insert, product label, and/or instructions for use before using any Fusion Orthopedics product. Please contact your representative if you have any questions about the availability of Fusion Orthopedics products in your area. All rights reserved.
